8. Danksagung

Mein Dank gilt in erster Linie Herrn Professor Dr. W. Seeger für die Aufnahme in seine Arbeitsgruppe, für die Überlassung des Themas und die Betreuung während meiner Labortätigkeit.

Besonders danken möchte ich Herrn Dr. A. Günther für seine intensive und kompetente Betreuung, für seine Ideen und Anregungen, seine stets vorhandene Hilfsbereitschaft und Geduld und für seine Großzügigkeit in der freien Gestaltung der Arbeit.

Weiterhin danke ich Frau S. Heinemann für ihre Hilfe bei zahlreichen Laborarbeiten und für unsere Freundschaft, die sich im Laufe meiner Arbeit entwickelt hat.

Nicht zuletzt danke ich allen Mitarbeitern des Surfactantlabors, allen voran Herrn C. Ruppert und Herrn Dr. R. Schmidt, für ihre Unterstützung und die angenehme Arbeitsatmosphäre in unserem Labor.
